Proposed OASA Legislative Goals 2016-17 as of Dec 1, 2016 meeting

1. **FUNDING:** OASA supports adequate funding for public schools in Oklahoma that includes a pay raise for teachers and support staff, and district operational money; we will oppose any efforts to divert public funds to non-public schools.

3. **ASSESSMENT & ACADEMICS:** OASA supports educational opportunities that are both rigorous and relevant for students and employs rigorous and relevant student assessment.

4. **EMPLOYEES:** OASA supports fair treatment and improved compensation for all education employees.
